## Introduction

**Our Motto – Custody, Care, and Correction**

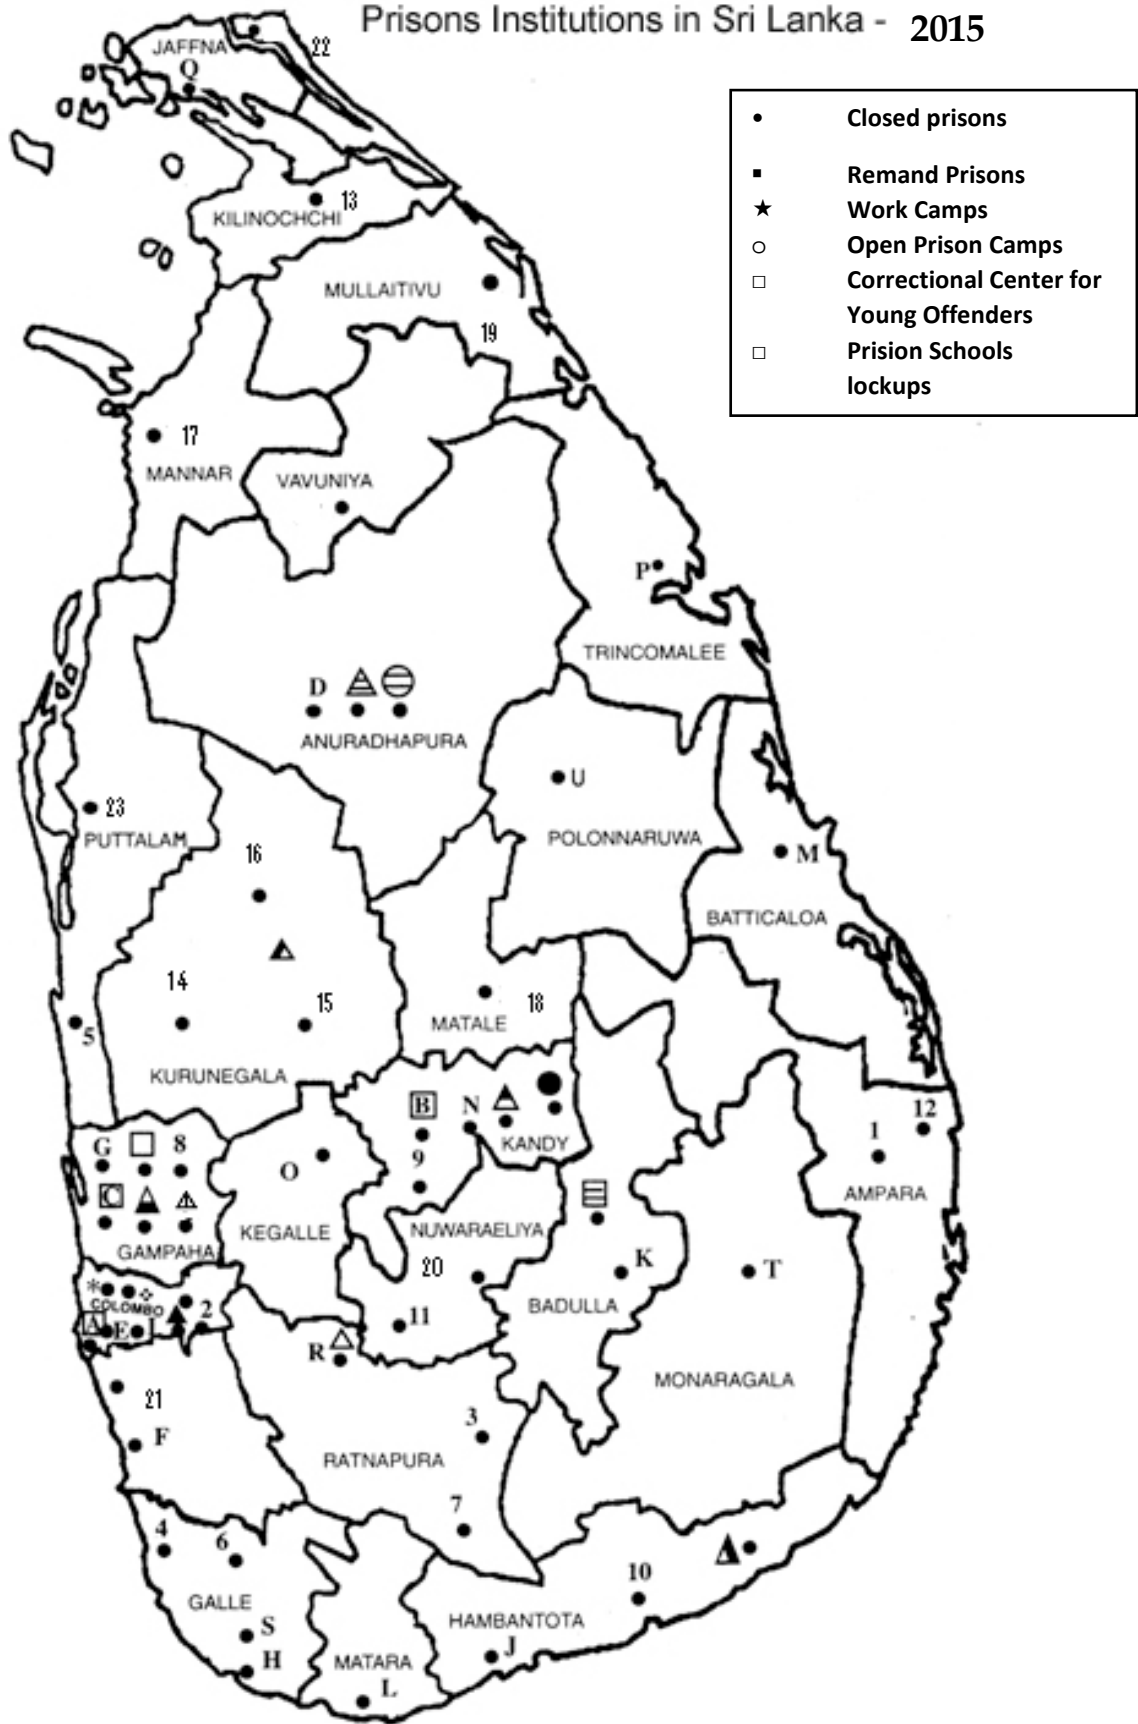

### Prison Logo

Prison commenced as a result of the judicial reforms introduced by Cameron in 1832. Welikada Prison was established compatible with British Bostal System in terms of the Legal and Court Ordinance no. 18 of 1844. By the Prison Act no.16 of 1877, this service was structured and regulated under a separate department directly under control of the Commissioner of the Prisons with the effect from 16<sup>th</sup> July, 1905. With development of the society, this service turns out to be very crucial. As a result, the Mahara Prison was built in 1875 and the Bogambara Prison which was in the form of the “Been Field’ Prison in England was constructed in 1876. Today, the prison evolved this way, has become an essential and specific institute before the complexity of present day society. Accordingly, the prison system consists of 3 prison types, 19 remand prisons, 2 correction centers for youthful offenders, 1 training centre for youthful offenders , 09 work camps, 2 open prison camps, 20 prison lockups and 1 prison school which are under the control of Superintendents of Prisons. There are about 19,000 convicted and remanded prisoners under their custody.

Currently, this department comes under the Ministry of Prison Reforms, Rehabilitation, Resettlement and Hindu Religious Affairs, though the department at the beginning provided care and custody to the inmates, today it has gone beyond the limit of it and become a social correction center that rehabilitates inmates. Here, this performance report illustrates the endeavor of rehabilitating and socializing inmates as good citizens by the Department of Prisons as a social adaptation body during the year 2015.
